

Cuban People Are Not Terrorists!

The following U.S. City Councils, County Boards, State Legislatures, School Boards, Labor Councils, Unions, Workers Organizations, and other organizations have passed 79 resolutions which have addressed ending the U.S. embargo/blockade on Cuba, and Saving Lives through scientific collaboration with Cuba regarding the Covid-19 Pandemic, and urging that Cuba be removed from the U.S. List of State Sponsors of Terrorism (SSOT)

These units of government & labor organizations together represent over 44 million people as part of their populations.
